ALABAMA MENTAL HEALTH POWER OF ATTORNEY FORM

IMPORTANT INFORMATION

This power of attorney authorizes another person (your agent) to make decisions for you (the principal). Your agent will be able to make decisions and act on your behalf, whether or not you are able to act for yourself.

This power of attorney does not authorize the agent to make health care decisions for you. Such powers are governed by applicable laws for Advance Directives.

You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent's authority will continue until you die or revoke the power of attorney or the agent resigns or is unable to act for you.

If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent.

This power of attorney becomes effective immediately unless you state otherwise in the Special Instructions.

If you have questions about the power of attorney or the authority you are granting to your agent, you should seek legal advice before signing this form.

The following forms are available from the National Resource Center on Psychiatric Advance Directives.

ALABAM A ADVANCE DIRECTIVE FOR HEALTH CARE

(Living Will and Health Care Proxy)

This form may be used in the State of Alabama to make your wishes known about what medical treatment or other care you would or would not want if you become too sick to speak for yourself. You are not required to have an advance directive. If you do have an advance directive, be sure that your doctor, family, and friends know you have one and know where it is located.

Section 1. Living Will

I, _____, being of sound mind and at least 19 years old, would like to make the following wishes known. I direct that my family, my doctors and health care workers, and all others follow the directions I am writing down. I know that at any time I can change my mind about these directions by tearing up this form and writing a new one. I can also do away with these directions by tearing them up and by telling someone at least 19 years of age of my wishes and asking him or her to write them down. I understand that these directions will only be used if I am not able to speak for myself.

Terminally ill or injured is when my doctor and another doctor decide that I have a condition that cannot be cured and that I will likely die in the near future from this condition.

IF I BECOME PERMANENTLY UNCONSCIOUS:

Permanent unconsciousness is when my doctor and another doctor agree that within a reasonable degree of medical certainty I can no longer think, feel anything, knowingly move, or be aware of being alive. They believe this condition will last indefinitely without hope for improvement and have watched me long enough to make that decision. I understand that at least one of these doctors must be qualified to make such a diagnosis.
