MISSISSIPPI MENTAL HEALTH POWER OF ATTORNEY FORM

IMPORTANT INFORMATION

This power of attorney authorizes another person (your agent) to make decisions for you (the principal). Your agent will be able to make decisions and act on your behalf, whether or not you are able to act for yourself.

This power of attorney does not authorize the agent to make health care decisions for you. Such powers are governed by applicable laws for Advance Directives.

You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent's authority will continue until you die or revoke the power of attorney or the agent resigns or is unable to act for you.

If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent.

This power of attorney becomes effective immediately unless you state otherwise in the Special Instructions.

If you have questions about the power of attorney or the authority you are granting to your agent, you should seek legal advice before signing this form.

The following forms are available from the National Resource Center on Psychiatric Advance Directives.

Mississippi Advance Health-Care Directive

Explanation

You have the right to give instructions about your own health care. You also have the right to name someone else to make health-care decisions for you. This form lets you do either or both of these things. It also lets you express your wishes regarding the designation of your primary physician. If you use this form, you may complete or modify all or any part of it. You are free to use a different form.

Part 1 of this form is a power of attorney for health care. Part 1 lets you name another individual as agent to make health-care decisions for you if you become incapable of making your own decisions or if you want someone else to make those decisions for you now even though you are still capable. You may name an alternate agent to act for you if your first choice is not willing, able or reasonably available to make decisions for you. Unless related to you, your agent may not be an owner, operator, or employee of a residential long-term health-care institution at which you are receiving care.

Unless the form you sign limits the authority of your agent, your agent may make all health-care decisions for you. This form has a place for you to limit the authority of your agent. You need not limit the authority of your agent if you wish to rely on your agent for all health-care decisions that may have to be made. If you choose not to limit the authority of your agent, your agent will have the right to:

(a) Consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition;
(b) Select or discharge health-care providers and institutions;
(c) Approve or disapprove diagnostic tests, surgical procedures, programs of medication, and orders not to resuscitate; and
(d) Direct the provision, withholding, or withdrawal of artificial nutrition and hydration and all other forms of health care.

Part 2 of this form lets you give specific instructions about any aspect of your health care. Choices are provided for you to express your wishes regarding the provision, withholding, or withdrawal of treatment to keep you alive, including the provision of artificial nutrition and hydration, as well as the provision of pain relief. Space is provided for you to add to the choices you have made or for you to write out any additional wishes.

Part 3 of this form lets you designate a physician to have primary responsibility for your health care.

After completing this form, sign and date the form at the end and have the form witnessed by one of the two alternative methods listed below. Give a copy of the signed and completed form to your physician, to any other health-care providers you may have, to any health-care institution at which you are receiving care, and to any health-care agents you have named. You should talk to the person you have named as agent to make sure that he or she understands your wishes and is willing to take the responsibility.

You have the right to revoke this advance health-care directive or replace this form at any time.
