

NEW HAMPSHIRE MENTAL HEALTH POWER OF ATTORNEY FORM

IMPORTANT INFORMATION

This power of attorney authorizes another person (your agent) to make decisions for you (the principal). Your agent will be able to make decisions and act on your behalf, whether or not you are able to act for yourself.

This power of attorney does not authorize the agent to make health care decisions for you. Such powers are governed by applicable laws for Advance Directives.

You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent's authority will continue until you die or revoke the power of attorney or the agent resigns or is unable to act for you.

If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent.

This power of attorney becomes effective immediately unless you state otherwise in the Special Instructions.

If you have questions about the power of attorney or the authority you are granting to your agent, you should seek legal advice before signing this form.

The following forms are available from the National Resource Center on Psychiatric Advance Directives.

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY FOR HEALTH CARE

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you when you are no longer capable of making them yourself. "Health care" means any treatment, service or procedure to maintain, diagnose or treat your physical or mental condition. Your agent, therefore, can have the power to make a broad range of health care decisions for you. Your agent may consent, refuse to consent, or withdraw consent to med

You may state in this document any treatment you do not desire, except as stated above, or treatment you want to be sure you receive. Your agent's authority will begin when your doctor certifies that you lack the capacity to make health care decisions. If for moral or religious reasons you do not wish to be treated by a doctor or examined by a doctor for the certification that you lack capacity, you must say so in the document and name a person to be able to certify your lack of capacity. That person may not be your agent or alternate agent or any person ineligible to be your agent. You may attach additional pages if you need more space to complete your statement.

If you want to give your agent authority to withhold or withdraw the artificial providing of nutrition and fluids, your document must say so. Otherwise, your agent will not be able to direct that. Under no conditions will your agent be able to direct the withholding of food and drink for you to eat and drink normally.

Your agent will be obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent will have the same authority to make decisions about your health care as you would have had if made consistent with state law.

It is important that you discuss this document with your physician or other health care providers before you sign it to make sure that you understand the nature and range of decisions which may be made on your behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions. You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust and must be at least 18 years old. If you appoint your health or residential care provider (e.g. your physician, or an employee of a home health agency, hospital, nursing home, or residential care home, other than a relative), that person will have to choose between acting as your agent or as your health or residential care provider; the law does not permit a person to do both at the same time.

You should inform the person you appoint that you want him or her to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions who will have signed copies. Your agent will not be liable for health care decisions made in good faith on your behalf.

Even after you have signed this document, you have the right to make health care decisions for yourself as long as you are able to do so, and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing him or her or your health care provider orally or in writing.

This document may not be changed or modified. If you want to make changes in the document you must make an entirely new one.

You should consider designating an alternate agent in the event that your agent is unwilling, unable, unavailable, or ineligible to act as your agent. Any alternate agent you designate will have the same authority to make health care decisions for you.

THIS POWER OF ATTORNEY WILL NOT BE VALID UNLESS IT IS SIGNED IN THE PRESENCE OF TWO (2) OR MORE QUALIFIED WITNESSES WHO MUST BOTH BE PRESENT WHEN YOU SIGN AND ACKNOWLEDGE YOUR SIGNATURE. THE FOLLOWING PERSONS MAY NOT ACT AS WITNESSES:

- the person you have designated as your agent;
- your spouse;
- your lawful heirs or beneficiaries named in your will or a deed;

ONLY ONE OF THE TWO WITNESSES MAY BE YOUR HEALTH OR RESIDENTIAL CARE PROVIDER OR ONE OF THEIR EMPLOYEES.

DURABLE POWER OF ATTORNEY FOR HEALTH CARE

I, _____, hereby appoint _____ of _____ as my agent to make any and all health care decisions for me, except to the extent I state otherwise in this document or as prohibited by law. This durable power of attorney for health care shall take effect in the event I become unable to make my own health care decisions.

STATEMENT OF DESIRES, SPECIAL PROVISIONS, AND LIMITATIONS REGARDING HEALTH CARE DECISIONS.

For your convenience in expressing your wishes, some general statements concerning the withholding or removal of life-sustaining treatment are set forth below. (Lifesustaining treatment is defined as procedures without which a person would die, such as but not limited to the following: cardiopulmonary resuscitation, mechanical respiration, kidney dialysis or the use of other external mechanical and technological devices, drugs to maintain blood pressure, blood transfusions, and antibiotics.) There is also a section which allows you to set forth specific directions for these or other matters. If you wish you may indicate your agreement or disagreement with any of the following statements and give your agent power to act in those specific circumstances.

1. If I become permanently incompetent to make health care decisions, and if I am also suffering from a terminal illness, I authorize my agent to direct that life-sustaining treatment be discontinued. (YES) (NO) (*Circle your choice and initial beneath it.*)

2. Whether terminally ill or not, if I become permanently unconscious I authorize my agent to direct that life-sustaining treatment be discontinued. (YES) (NO) (*Circle your choice and initial beneath it.*)

3. I realize that situations could arise in which the only way to allow me to die would be to discontinue artificial feeding (artificial nutrition and hydration). In carrying out any instructions I have given above in #1 or #2 or any instructions I may write in #4 below, I authorize my agent to direct that (*circle your choice of (a) or (b) and initial beside it*):
(a) artificial nutrition and hydration not to be started or, if started, be discontinued, -or-
(b) although all other forms of life-sustaining treatment be withdrawn, artificial nutrition and hydration continue to be given to me. (If you fail to complete item 3, your agent will not have the power to direct the withdrawal of artificial nutrition and hydration.)

4. Here you may include any specific desires or limitations you deem appropriate, such as when or what life-sustaining treatment you would want used or withheld, or instructions about refusing any specific types of treatment that are inconsistent with your religious beliefs or unacceptable to you for any other reason. You may leave this question blank if you desire.
