**ARTICLE IV  
TRUST FOR CHILDREN FROM MY PRIOR MARRIAGE**

A. *Purpose.* The primary purpose of this Trust is to provide for the health, support, maintenance, and education of my children from my prior marriage.

B. *Use and Distribution.* Until there is no living child of mine from my prior marriage under the age of \_\_\_\_ years, the Trustee shall pay to any child of mine or descendant of any deceased child of mine from my prior marriage, such sums from the income or principal as the Trustee deems advisable for such beneficiary's health, education, support, and maintenance. Any such payments need not be equal between or among my children from my prior marriage and descendants of deceased children from my prior marriage either as individuals or as separate groups, and their distributive shares shall not be charged for such distributions. In making such distributions, the Trustee shall take into consideration their respective needs and any and all other income and property that is known by the Trustee to be available to the beneficiaries for the above purposes. Any income not distributed shall be added to principal. When there is no living child of mine from my prior marriage under the age of \_\_\_\_ years, the Trustee shall divide the Trust into equal shares, one share for each then living child of mine from my prior marriage, and one share for the then living descendants, collectively, of each deceased child of mine from my prior marriage.

The shares shall be distributed to my surviving children (and/or surviving descendants, in the case of a deceased child, by right of representation) from my prior marriage and this Trust shall then terminate.

C. *No Surviving Descendants.* If at any time before final distribution of this Trust for Children from My Prior Marriage, there is not in existence anyone who is, or might become, entitled to receive benefits under the foregoing provisions of this Trust, then any portion of this Trust then remaining shall be paid over and distributed outright to the following beneficiaries in the percentages as shown:

\_\_\_\_\_.

Percentages Total - \_\_\_\_%.

D. *Protection of Beneficiaries.* The interest of any beneficiary under this Trust shall not be subject to assignment, anticipation, claims of creditors, or seizure by legal process. If the Trustee believes that the interest of any beneficiary is threatened to be diverted in any manner from the purposes of this Trust, the Trustee shall withhold the income and principal from distribution, and shall apply payment in the

Trustee's discretion in such manner as the Trustee believes shall contribute to the health, support, maintenance, and education of the beneficiaries. When the Trustee is satisfied that such diversion is no longer effective or threatened, the Trustee may resume the distributions of income and principal authorized. If a separate Trust share had been designated for such beneficiary prior to such withholding by the Trustee, any undistributed income from such share shall be added to the principal of that beneficiary's share.

E. Nomination of Trustee. I nominate \_\_\_\_\_, of \_\_\_\_\_, as the Trustee, without bond. If such person or entity does not serve for any reason, I nominate \_\_\_\_\_, of \_\_\_\_\_, without bond.

F. *Additional Trustee Provisions.* These additional provisions shall apply regarding the Trustee.

2. *Resignation of Trustee.* The Trustee, or any successor, may resign at any time by giving 60 days' written notice to all adult beneficiaries, and to a parent or guardian, if any, of each minor beneficiary of the Trust.

3. *Successor Trustee.* The beneficiaries to whom such notice of resignation is given shall designate a successor Trustee by written notice to the resigning Trustee within 60 days after receipt of the notice of resignation. If a successor Trustee is not so designated, the resigning Trustee shall have the right to secure the appointment of a successor Trustee by a court of competent jurisdiction, at the expense of the Trust. If a successor Trustee is appointed, such trustee shall be bound by, and subject to, the provisions of this Trust.

B. *Use and Distribution.* Until there is no living child of mine from my current marriage under the age of \_\_\_ years, the Trustee shall pay to any child of mine from my current marriage or descendant of any deceased child of mine from my current marriage, such sums from the income or principal as the Trustee deems advisable for such beneficiary's health, education, support, and maintenance. Any such payments

need not be equal between or among my children from my current marriage and descendants of deceased children from my current marriage either as individuals or as separate groups, and their distributive shares shall not be charged for such distributions. In making such distributions, the Trustee shall take into consideration their respective needs and any and all other income and property that is known by the Trustee to be available to the beneficiaries for the above purposes. When the Trustee is satisfied that such diversion is no longer effective or threatened, the Trustee may resume the distributions of income and principal authorized. If a separate Trust share had been designated for such beneficiary prior to such withholding by the Trustee, any undistributed income from such share shall be added to the principal of that beneficiary's share.
